

The following definitions shall be added to Section 18 of the current West Lakeland Township Ordinances.

Approved 12/12/2022

Field Road: In this ordinance, a "field road" is a road that is used only for accessing a property for agricultural, forestry, land management, hunting, or other similar purposes, and does not provide access to an improvement. Access can be obtained from the public road without modification of the contours to the street easement, and the natural vegetation is retained in the easement.

Driveway: In this ordinance, a "driveway" is defined to mean private driveway, road, lane or other means of traversing through any part of a private parcel of land, which provides access from any public highway to an improvement, including a residence or accessory structure, or where modifications to the contours to the street easement are desired, or surfacing other than natural vegetation are applied, including but not limited to gravel, rock or asphalt.
